

Does Your Consumer Affairs License Expire February through June 2020?

Read This Important Update.

The NYC Department of Consumer Affairs (DCA) is extending certain license expiration dates and renewal application deadlines.

IMPORTANT:

- If your license expired on February 28, you may not operate until you get your renewed license.
- License expiration dates for Tow Truck Company (April 30) and Employment Agency (May 1) are statutorily set. You may not operate after these dates unless you have received your renewed license.
- DCA will not accept submissions *after* the NEW Renewal Application Deadline. You will have to apply for a new license.
